## SEATING CAPACITY 8 ADULTS

|   |   |
|---|---|
| Kleen H <sub>2</sub> O™ System<br>The Worlds Only<br>Self-Cleaning Spa System<br>w/ Sealed Filtration | Circulates and filters the spa water. A turbo filter cartridge keeps the spa clean of dirt and small debris using the self-cleaning system with built-in floor drain and conceals unwanted odors in the sealed canister. The ozonator and automatic chemical feeder keep your spa water sanitized, balanced and crystal clear. Your spa cleans while you relax and is America's first and only self-cleaning spa. |
| 8aXēZl ˘8Y VVagǎ<br>6 ʌ/h_I gba FI fgǎ  | This pump only produces 1/15 HP while allowing Baja's filtration system to run 24 hours at a .35 amp rate, making it 85% more energy efficient.   |
| fʌfT(!#; C^KC&~Ch` cf   | These 56-frame 2-speed pumps are designed to increase performance achieved through efficiency rather than brute force resulting in energy efficiency, reduced operating costs and ultimate performance.   |
| % ( `Ch` UaZ  | Plumbed with 2.5" plumbing to utilize the optimal amount of flow with the least amount of energy.   |
| 5TJT F` TēhU  | The best components with the most sophisticated electronics perform to their capacity and provide ease of operation with faster "at hand" spa side controls. Smartub™ protects the spa in extremely hot temperatures and extremely cold temperatures.   |
| @Tk\ h` FcT~agZēg   | Unique layering of fiberglass to the shell which reinforces the strength of the acrylic spa.  |
| J XTgǎ Xēl ēc   | WeatherWrap™ is an exclusive feature designed for maximum energy efficiency. The insulation blanket effectively retains warmth while reducing equipment noise.  |
| Energy Star   | Partnering with Energy Star, Baja has demonstrated environmental leadership and improvement to their energy efficiency by reducing environmental impacts with their business and products.  |
| J TgēT _Q XēcI  | Lighted waterfall grab rails create a soothing and relaxing effect of cascading water.  |
| 5TJT ˘5ēXnǎ 4ē` Tgǎ XēcI  | Restores balance and harmony to all your senses with innovative aroma-therapy spa scents.   |
| Qǎ Xēc XhgV~XgǎZ  | 64 versatile hydrotherapeutic jets with adjustable stainless steel faces.   |
| ChēJbFgǎXT`   | High volume frontal body and foot jet enables you to choose the right type of body massage.   |
| LUCITE® ˘6Tfg4Vē ʌj ǎ<br>@VēbUTa®<br>4agǎ ʌēbUT _CēbgǎVgǎba   | Baja uses only the highest quality LUCITE® cast acrylic with Microban antimicrobial product protection to guard your spa from bacteria that can cause stains and odors. Antimicrobial protection makes your spa easier to clean and keeps your spa surface cleaner between cleanings by inhibiting the growth of microbes.  |
| 8BA~@bWh_I ē6TUʌXg  | Stunning and virtually indestructible alternative to wood cabinets. EON captures the look, feel and natural beauty of wood without the drawbacks. Available in Sandalwood or Gray.  |
| 6 [ ē` bǎgǎ XēcI  | LED digital spa light is preprogrammed with 6 radiant color shows and 7 single shade colors. This feature brings brilliance to your spa experience.   |
